QUOTE
FOR GRAVEL EXTRACTION & STOCKPILING– 2017
Specifications

The Town of Wascott is soliciting quotes for the extraction and stockpiling of gravel from the Buckley Island Pit. The Pit has been used for several years and the area may require removal of water as part of the extraction process. A slope of 3:1 is required.

All subcontracting shall be pre-approved by the Wascott Town Board. The prime contractor is responsible for all subcontractor(s) work and payment. The Town of Wascott will not pay any subcontractor or third parties directly. **Extraction and stockpiling shall be completed before the site freezes.**

<u>Item #</u>	<u>Item</u>	<u>Estimated Quantity</u>	<u>Unit Price</u>	<u>Total Amount of Bid</u>
1	Extraction and Stockpiling of Gravel, 3:1 slope	25,000 yds.		
2	Removal/pumping of water from gravel site, as may be required	N/A	N/A	

Note: Quantity of yards to be extracted is estimated and for quote purposes only.

The undersigned bidder, submitting this quote, agrees to perform the work, in accordance with all terms, conditions and requirements of the foregoing specifications.
