

**Town of Wascott
Douglas County**

Smith Bridge Road - Project 8396-00-02
Minong Flowage Bridge P-16-0132

The Town of Wascott is in the process of selecting a consultant to perform design engineering services for the Smith Bridge replacement project. If you are interested in being considered for selection, please respond to this notice with a Statement of Qualifications.

Your Statement of Qualifications should include:

Key staff who may be assigned to the project with their qualifications
Current availability of key staff
Descriptions of similar projects recently completed with references

Please send your Statement of Qualifications to:

Greg Jensen, Chairperson
16362 S Town Hall Road
PO Box 159
Wascott, WI 54890

Your Statement of Qualifications **must be received by 5:00pm Friday March 16, 2012**. The Town's selection committee will review qualifications and make a selection in conjunction with a regular Town Board Meeting on May 1, 2012.
