Resolution #2007-06 (Amended)

AQUATIC INVASIVE SPECIES GRANTS RESOLUTION (CRANBERRY LAKE)

WHEREAS, Cranberry Lake/Flowage is an important resource used by the public for recreation and enjoyment of natural beauty; and

WHEREAS, a study and examination of the lake will lead to better understanding and will promote the public health, comfort, convenience, necessity and public welfare; and

WHEREAS, we recognize the need for responsible and holistic long-range planning to better manage the lake, its watershed, and its use; and

WHEREAS, we are qualified to carry out the responsibilities of the aquatic invasive species project.

NOW, THEREFORE, BE IT RESOLVED the Town of Wascott requests the funds and assistance available from the Wisconsin Department of Natural Resources under the "Aquatic Invasive Species Control Grant Program"; and

HEREBY AUTHORIZES the Town Chairman to act on behalf of the Town of Wascott to: submit an application to the State of Wisconsin for financial aid for aquatic invasive species grant purposes; sign documents; and take necessary action to undertake, direct, and complete an approved grant.

BE IT FURTHER RESOLVED THAT the Town of Wascott will meet the obligations of the planning project including timely publication of the results, and meet the financial obligations under this grant, including the prompt payment of its 50% commitment to planning project costs.

We understand the importance of a continuing management program for Cranberry Lake and Flowage, and intent to proceed on that course.

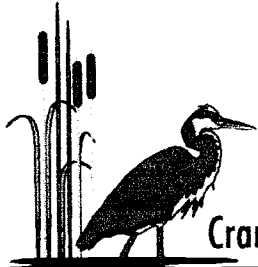

Adopted this fourth day of September, 2007.
