## Resolution #2005-11

## MILEAGE RATE POLICY

**Whereas,** elected officials and employees of the Town of Wascott must often use personal vehicles in the normal conduct of their work assignments for the Town; and

**Whereas,** it has been the policy of the Town of Wascott to authorize the reimbursement for the expense incurred to the owners of said vehicles, when appropriately used; and

**Whereas,** the cost of operating a vehicle continues to rise, making it necessary to occasionally review the mileage reimbursement rate in order to make an equitable payment for the use of personally-owned vehicles;

**Therefore Be It Resolved,** that the Town Board of Wascott hereby states that its mileage policy follows the Internal Revenue Service standard mileage rates, and that the town mileage reimbursement will be automatically adjusted in accordance with any modifications to the Internal Revenue Service standard mileage rates in computing the costs of operating an automobile for business expense purposes.
