

The Vial of Life is Free!!!!

In an emergency the Vial of Life will speak for you when you can't!

What goes in the plastic bag on the front of your refrigerator door

1. A completed Vial of Life form. (Answer the questions you want, don't answer questions you don't want)
2. Providing a picture of yourself would be helpful.
3. A photostat of your last EKG will greatly assist the emergency personnel. (Your doctor will be able to provide you with a copy)
4. Place your Living Will or equivalent in your baggie, if you have one.
5. Place any Do Not Resuscitate (DNR) documentation in the baggie, if you so choose
6. Place any other documentation you feel important in the baggie.
